

WOMEN MAKING A DIFFERENCE

Fourth Annual **TEE-CUP** Golf Tournament

Thursday, September 17, 2009

Women Making A Difference is a group run by a number of Richmond based businesswomen. Together with our network of contacts, we are working to give back to Richmond to ensure that the community is vibrant, healthy and sustainable.

We would love to have your support in the **Fourth Annual Tee-Cup Golf Tournament** being held **September 17, 2009** at the Country Meadows Golf Course. We are accepting registrations for golfers and are also looking for hole sponsors and prizes. This event will be attended by a large number of businesswomen, making purchasing decisions for both business and home – a great audience to market your products and services.

Proceeds from the event will be donated to **Touchstone Family Association**, a vital family resource that has been offering family counseling in Richmond for over 25 years. Touchstone is one of the most respected agencies of its kind in Canada and has worked with hundreds of Richmond families and individuals. Funds raised will go to Touchstone's community outreach programs to provide family support and counseling services. (www.touchfam.ca)

Hole sponsorship is only \$300.00 and we encourage activities at the course. If you enter a four-some, sponsorship is \$200.00. **Prizes** are being collected for the raffle as well as for a silent auction; we are counting on your generosity and thank you in advance for your support.
